Establishing Business KPIs and Implementing Tools to Create Accountability

Tuesday, April 28th from 10am – 12pm at The Cub in Washburn

In-Person and Zoom Option Available

Cost: \$15

***If cost is a barrier, please email Sascha to register: sascha@consulting-sm.com**

Workshop Objectives:

- Establish weekly KPIs for your business
- Create SMART business goals
- Implement tools that drive accountability

Presenter, Sascha Mansson, has over 15 years of experience leading and operating businesses, advising business owners, and facilitating leadership teams through strategy and planning work. She is passionate about working with regional businesses and non-profits to develop plans, drive clarity, and establish accountability within organizations.
